

FNQ

ALLIED HEALTH ASSOCIATION

FNQ Allied Health Association Inc. is made up of **Allied Health Professionals in Far North Queensland** from a wide range of disciplines employed in both government and non government organisations including private practice.

Current members are from a wide range of Allied Health professions including: Audiologists, Chiropractors, Credentialed Diabetes Educators, Dietitians, Exercise Physiologists, Music Therapists, Occupational Therapists, Orthotists and Prosthetists, Osteopaths, Pharmacists, Physiotherapists, Podiatrists, Psychologists, Social Workers and Speech Language Pathologists.

THE OBJECTIVES OF FNQAHA

- to develop partnerships within the health and education and social support systems to coordinate quality Allied Health services throughout FNQ to help ensure the highest standard of Allied Health care for the people in our community.
- ensure the sustainability and inclusion of private practicing Allied Health professionals in the planning and delivery of primary health care services in FNQ
- act as a conduit for external organisations to interact with Allied Health professionals e.g. Northern Queensland PHN, NDIA & NDIS, CAPNA and FNQDocs
- facilitate interaction between and within the Allied Health professions in all areas of practice and develop a shared understanding of the needs and priorities of Allied Health professionals within FNQ

We provide members with regular updates of the association's activities, CPD and networking opportunities.

We seek to support you when facing issues affecting your profession via our monthly committee meetings.

*The more voices we have -
the louder we will be heard
as health reform evolves.*

Membership is
FREE
send in your
application form to
keep informed.
